

Glencairn

Sr. John Baptist is the last surviving sister of the three Fitzgerald sisters who entered Glencairn.

She was born on the 11th May 1925 and would be 91 years old in a few weeks. She entered Glencairn 04 July 1959 and made solemn profession 17 January 1965. She had served the community as procurator for many years. We all remember her kindness and thoughtfulness. She got a stroke in August 2014, and eventually was moved to Conna Nursing Home where she received excellent professional care and frequently visited by members of the community and her close family.

We are sure that there is a big reunion of three Sisters with the Risen Lord.

We commend her to your prayers.

M. Marie and Community
